

## HOW MUCH DO CUSTOM INVITATIONS COST?

Not as much as you think! There are many advantages to custom invitations. We create the perfect invitation for you as lavish or simple as you imagine, with a price to meet your budget. Since all of our designs are custom-made for each individual couple, the prices vary widely. Because there are so many possibilities involved in creating a custom invitation set, we don't have set pricing. Typical invitations can be as low as \$150 or as high as \$1500 depending on the paper, size, shape, color, and quantity you select. It is our goal to design the invitation of your dreams while staying within your budget.

## WHAT ARE WAYS TO REDUCE INVITATION COSTS?

There are many changes that can be made to custom invitations that help control the overall cost. Using black ink, sticking with a single layer, using artwork instead of embellishments, and not using as many enclosure cards. We can discuss this further at any point should you have any questions.

## HOW DOES THE PROCESS OF CUSTOM DESIGN INVITATIONS WORK?

Please see our design process for an in-depth look out our process.

## WHEN SHOULD I PLACE MY ORDER?

With custom design work, it is never too soon to get started. Ideally, your invitations should be ready to mail 8 weeks before your event date. Prior to that, plan for the process to take anywhere from a couple of weeks to a month, depending on the complexity of your project. This is only an estimate and varies greatly from person to person. We recommend ordering your invitations 3-4 months ahead of your wedding date to ensure ample time for the creative process, although rush jobs can be done for an additional fee. Designs for wedding day items such as ceremony programs, placecards, and menus will take place in the months and weeks leading up to your wedding, as the details are often finalized just before the event.

## CAN WE STILL WORK TOGETHER EVEN IF I DO NOT LIVE IN THE LANCASTER AREA?

Thanks to modern technology, we can work with you no matter where you live. Since most of our interaction will be through e-mail, it is easy to find a way to work together that fits with your schedule. Past projects have been completed for clients all over the state of Wisconsin, and throughout the United States with no problems. If you are visiting or located in the Lancaster area, however, it can be easier to meet you in person for an initial consultation.

### HOW MANY DIFFERENT INVITATION ACCESSORIES CAN I HAVE FOR MY OCCASION?

We specialize in creating designs that fit you and no one else. Custom options are wide open and may include ceremony programs, table numbers, placecards, reception signs all to coordinate with the style of your day. We can even help you with thank you cards and holiday cards after you are married. Your guests will be impressed that not one detail was overlooked!

### CAN I CHOOSE DIFFERENT COLORS OR FONTS THAN THE SAMPLE SHOWS?

Absolutely! Anything can be changed to accomplish your dream invitation. The samples here are to help get the ideas flowing. As you'll see from the wide range of samples, we try to offer a range of colors, shapes, fonts, artwork and styles and offer color matching to achieve the exact look and feel of the invitation you are looking for.

### IF I FOUND AN INVITATION I LIKE, CAN YOU CREATE A SIMILAR ONE?

This is actually very helpful, whether you find things on our website/Facebook page or somewhere else. Anything to communicate your vision is beneficial.

### CAN YOU CREATE A MAP?

Yes, but depending on the amount of detail you're interested in, it can be a time consuming process.

### DO YOU OFFER ENVELOPE PRINTING SERVICES?

Yes! We can print your return address directly onto your envelopes. Using the fonts, the colors, or even the artwork from your invitation to keep with the style of your invitation.

### DO YOU PRINT MAILING LABELS?

Yes! We can print your return address and/or your guests' mailing address labels. Again, using the fonts, colors, and possibly artwork from your invitation to keep with your style.
